

J.D. Smith Elementary School

Sign Installation
January 2003

Special Projects and Renovation Services

Information on the Sign Installation

- ◆ A sign was needed to allow the school to communicate with students, parents, staff and the community.
- ◆ The sign was purchased from the Robson Corporation in Florida.
- ◆ The sign was delivered in July 2002 and installation was completed in January 2003.
- ◆ The cost for the project was approximately \$8000.

Sign Location

This is a trench for power to new sign and a footing for sign structure.

Underground Preparation

This is the footing preparation for the foundation and power.

Sign Mounted

This is the sign finished and asphalted.
